ENVIRONMENTAL POLICY

EUSKALDUNA JAUREGIA – PALACIO EUSKALDUNA, S.A.

The Management of EUSKALDUNA BILBAO, aware of the importance of protecting the environment in our society, efficiently managing resources and the impact that our activity has on the environment, undertakes the following commitments and guiding principles in the development of its activity:

- Protect the environment and prevent any negative impact that events may have on it, by establishing procedures and working methods that guarantee respect for the environment and society's right to a healthy environment.
- Comply with the legislation and legal requirements in force at all times, as well as those that EUSKALDUNA BILBAO considers necessary beyond the law, with an unequivocal commitment to improvement.
- Set environmental goals and targets that enable us to make continuous improvements.
- Encourage responsible behaviour among our staff and disseminate our commitment to the environment.
- Disseminate EUSKALDUNA BILBAO's environmental commitment to the protection and respect of the environment to our suppliers, concessionaires, collaborators, etc.
- Take the necessary steps and allocate sufficient resources to ensure compliance with the environmental policy in order to guarantee the right to a healthy and sustainable environment, as recognised in the Declaration of Bizkaia on the Right to the Environment.

This policy is communicated to all interested parties through its publication on the organisation's website (www.euskaldunabilbao.com).
